	Commercial Glass Cleaner quickly removes fingerprints, smudges, etc. from glass and other hard surfaces. Safe for use on any washable surface.	
	Daily is a all purpose cleaner that is excellent for use on any surface not harmed by water alone. Combining high performance, controlled foaming and a great orange fragrance, this product is ideal for cleaning hard surfaces. Its neutral pH formula will not dull or damage finished floors.	
	Grade-A has been cleared under 40 CFR 180.940 (a) for use on food Processing Equipment and Utensils in Dairies and Public Eating Establishments, Food Contact Surfaces, Food Processing Equipment and Utensils. Use Grade-A to sanitize food contact surfaces after the surface has been cleaned.	
	Commercial Degreaser will effectively remove a wide variety of soils including accumulations of grease and oil, dirt, soot, smoke, food and beverage stains, and rubber marks. Use on all detergent-resistant surfaces, porcelain, chrome, quarry tile, countertops, tables, including gasoline pumps.	
	Surefoot EZ employs bioactive enzymes to digest oils and food soils. Its powerful surfactants penetrate the pores in quarry tile, to accelerate cleaning. Also, the bioactive enzymes reduce slippage as they digest the oils and greases that make quarry tile slick. As an added benefit, as excess Surefoot EZ is flushed down the drain, the bioactive enzymes go to work on soils and greases present in the drain. Floors cleaned with Surefoot EZ provide positive traction and result in a cleaner, safer work environment.	
	Turquoise is a neutral cleaner disinfectant. Ideal for use in cleaning and disinfecting high touch surfaces and restrooms. Use to clean and disinfect hard surfaces like door handles, toilets, urinals, sinks, countertops any where a cleaner disinfectant is needed. It can be used to mop restroom floors to help control odors.
